TASTE THE SWEET FLAVORS OF THE SEASON: APPLES & CARAMEL

October is a month full of delicious fall flavors. While pumpkin often steals the spotlight, did you know October is also Apple Month and Caramel Month? These classic tastes deserve their own celebration alongside pumpkin spice!

Think warm apple cider on a crisp morning, a slice of classic apple pie, apple turnovers fresh from the

oven, or simply biting into a crisp, juicy apple. And caramel? It's not just plain or nutty anymore. Soft caramel chews, Werther's Originals, decadent caramel sundae sauce, and of course the iconic caramel apple all bring their own sweet charm.

Caramel apples, which even have their own special observance on October 31, are no longer just a simple candy-coated treat. **They're dipped in chocolate,**

sprinkled with candy toppings, or rolled in nuts, making every bite a little piece of autumn magic.

So this season, don't let these classic flavors be overshadowed. Warm up with apple cider, indulge in a caramel-topped treat, or enjoy the timeless combination of both. October is the perfect month to celebrate pumpkin, apples, and caramel—one sweet bite at a time!
